Our weekly prayer

When everything was dark and it seemed that the sun would never shine again, your love broke through. Your love was too strong, too wide, too deep for death to hold. The sparks cast by your love dance and spread and burst forth with resurrection light. We pray that the Easter light of life, hope and joy, will live in us each day; and that we will be bearers of that light into the lives of others.

(Written by Michaela Youngson) Amen.
